In the fiscal year ending 3/31/18, the General Fund expenses exceeded the revenue by \$163,640. The \$163,640 deficit was a result of the infrastructure improvement made by replacing the water main along Barton Shore Drive. The Barton Shore project will finish in the fiscal year ending 03/31/19. The Public Improvement Fund expenses exceeded revenues by \$196,475. The \$196,475 deficit was a result of the transfer of the funds into General Fund. The Village will build up the Public Improvement Fund by increasing the water rates and having that be used for future infrastructure expenses.

In the next fiscal year ending 03/31/19, the Village anticipates the millage rate to increase to 12 mils. The Village will make an unusual expenditure of approxiamately \$256,000 to finish the Barton Shore Project started in 2017-2018 fiscal year. The Village will also set up a stand alone HRA, add a new employee, purchase a tractor, and complete other maintenance items.
