

**WATER CONSUMER CONFIDENCE REPORT**    The annual Water Consumer Confidence Report for calendar year 2020 is attached to this Bulletin. It includes important information on:

- where your water comes from
- what your water is tested/treated for
- how the water system is maintained
- how you as a resident can help to protect and conserve this essential resource.

Please contact the BHV Clerk's Office if you have questions or comments about the report.

**BOARD OF TRUSTEES CHANGE**    The BHV Board of Trustees welcomes Andrea Darden to fill the vacancy created by Sarah Nicoli's resignation/move from the Village. Andrea joins Trustees Riad Al-Awar, Linda Benson (Treasurer), Chris Conlin (Clerk), Mostafa Haitam, Robert Hensinger (President Pro Tem), Howard Holmes II, Sharon Popp, and Carla Smith (President). The Board meets on the second Monday of each month. The current meeting agenda and past meeting minutes are posted on the BHV website.

**TRASH COLLECTION SCHEDULE**    Due to the Memorial Day holiday, trash will be picked up on Tuesday June 1, followed by regular collection days of June 7 and 21.

**REPLACE YOUR RUSTY MAILBOX**    There's still time to replace your rusty mailbox. Just send an email to bhvclerk@bartonhillsvillage.org to be placed on the list. The BHV staff will install a brand new, village-approved mailbox, and send you an invoice for the \$45 box cost when the installation is complete. Keep BHV looking beautiful! Thank you.

**PROJECT REVIEW**    Project Review is required for all new construction, exterior alteration of existing structures, and landscape projects in Barton Hills Village. Contact the Clerk's office for more information.

*Have a safe and happy Memorial Day!*
