

Mark your calendars to attend an MDOT presentation for Barton Hills residents, and staff and representatives from Ann Arbor Township reviewing the final draft recommendations of MDOT's Planning and Environmental Linkages study of the M-14 interchange at Barton Drive, Whitmore Lake Road, and Main Street.

Thursday, August 10 from 6-8:00 pm.
Ann Arbor District Library: Traverwood Branch
3333 Traverwood Dr, Ann Arbor, MI 48105

This meeting is for residents of Barton Hills and for Ann Arbor Township staff and reps. At this time, MDOT would like this to be an open discussion among MDOT, Barton Hills residents, and Ann Arbor Township. Later this fall, MDOT will have broad public engagement for everyone who uses the corridor. If you have any questions or need more information, please contact BHV Trustee Carla Smith at (734) 604-6275/carlasmith48105@gmail.com. MDOT looks forward to connecting and going over the study's findings.

A huge thank you to our many, many residents who have signed the BHV petition for MDOT to improve the Safety of the M-14 interchange and Retain the Eastbound Barton Drive Ramps and to our volunteers who have made this effort possible; **If you have not yet signed, now's the time to do so!**

With the Trustees' approval, Barton Hills Village volunteers are circulating a petition that urges MDOT to:

1. Implement MDOT's \$367,000 short-term recommendations to improve the Interchange's safety by 45% over 5 years.
2. Retain the M-14 eastbound Barton Drive entrance and exit ramps.
3. Eliminate the \$43 Million "Dual Roundabout" as a long-term interchange solution.

If you have not yet signed, and would like to do so, we can either come to your home at a time convenient for you, or you can drop into the Village Hall during normal business hours. If you'd like us to bring the petition to you, call Deputy Clerk Lacey Krecko at (734) 222-5209 or email bhvclerk@bartonhillsvillage.org. Any adult who cares about this issue is welcome to sign the petition. That includes residents, caregivers, landscapers, construction workers, tree trimmers...anyone who knows or uses this interchange.

Thank you, The Barton Hills Village Board of Trustees
